Kris - 2025-05-16 - Summer School

Visit our website to see when summer school registration begins.

The website will update with courses and locations once the classes are open for registration.

You may find it helpful to create a profile/account for the student prior to the registration start date; you can do this by using the Login button on the top right side of the website.

When creating an account you can select Academic Credit Student if you know the students Alberta Education ID (ASN Alberta Student Number) and/or Edmonton Public ID (EPSB Student Number).

Please check the following link for information... you can register online or by phone at 780-428-1111.
