I'm under 20 and registered at another high school. Can I take a course with Metro?

Lindsay Marshall - 2024-03-21 - High School & Upgrading

In most cases, yes, if you are a student with Edmonton Public Schools.

You will need to have proof of prerequisite courses when you register. For further guidance on planning your academic pathway, and choosing the courses to best fit your schedule, please talk to your primary school's guidance counsellor.

NOTE: Alberta Education does not allow: Junior high school students to register in high school credit courses until they successfully complete Grade 9 Students to register in the same course at two schools in the same semester Students who are in a homebound program or have unique special needs to register at two different schools
