

Where do I find my high school records?

Metro Continuing Education - 2022-08-25 - High School & Upgrading

If you have taken high school courses in Alberta, you can access your high school transcripts in your [myPass account here](#).

If you took your high school courses in another province or country, please contact the department of education in that province or country to obtain your high school records. If you have out-of-province or out-of-country documents (for example a transcript), please call 780-428-1111 to book an appointment for course selection guidance. There is a fee for both out-of-province and out-of-country credit evaluations.
